Check out these great new reads:

1. **7 Things your Doctor Forgot To Tell You** by **Dr Warren Sipser and Andi Lew**

7 Things Your Doctor Forgot To Tell You helps you to understand that the only real cure is prevention. This step-by-step guide will change the way that you currently manage your health care. You no longer have to 'wait till it's broke to fix it'.

7 Things Your Doctor Forgot To Tell You is a scientifically based approach to manifest wellness. Reading this book can empower you to make more informed common sense choices to improve the health of you and your loved ones, easily and effectively. **\$24.95**

2. **How To Look Good Naked** by **Gok Wan**

From celebrating curves, to enhancing your assets, *How To Look Good Naked* offers the ultimate confidence boost for women of all ages and sizes. It's not about changing your shape with plastic surgery or dieting, it's about embracing what you have and enhancing every gorgeous bit of it! With Gok's help you can look and feel good with or without your clothes on. **\$29.99**

3. **Portion Perfection** by **Amanda Clark**

Amanda Clark has written *Portion Perfection* to help us regain portion control by being aware of quantity and being selective in the products we buy. With over 20 years of experience, she has determined our most commonly prepared and bought meals and foods, and through careful analysis, determined exactly what is the right amount for us to maintain a healthy weight. **\$34.95**

4. **The Biggest Loser Cookbook**

The smash-hit Australian TV series *The Biggest Loser* is back, this time with 110 exciting recipe ideas for all the family. With extra calorie-saving suggestions and an easy-to-read analysis for each recipe, a healthy and satisfying diet is simpler than ever to maintain.

A practical recipe book with expert nutritionist advice illustrated with well over 50 vibrant and tasty looking images to make sure you can happily stick to your healthy-eating plan, and still create delicious meals for all the family. **\$39.95**
